

# Waiver Process Checklist

## Consultation with healthcare provider

- Schedule an appointment with an Occupational Therapist (OT) or Primary Care Provider (PCP) to assess the need for sensory equipment.

## Obtain Letter of Recommendation

- Obtain a letter of recommendation for sensory equipment from the OT or PCP, detailing the medical necessity and expected benefits.

## Sensory Equipment Consultation

- Consult with [SensoryRX](#) to determine the appropriate sensory equipment that meets the individual's needs.
- SensoryRX provides assistance in selecting the right product set and a written sales quote.
- Mention hes-extraordinary to SensoryRX to receive a 10% discount on equipment\*

## Submission of Documentation to Financial Worker

- Compile and provide all documentation to the financial worker assigned to the case.
  - OT/PCP's letter of recommendation
  - SensoryRX sales quote
  - Product information from SensoryRX website

## Document Submission and Approval

- The financial worker submits all relevant documents to the Medicaid office for approval of the funding request.
- Once approval is received, the financial worker proceeds with the purchase of the sensory equipment from SensoryRX.

## Equipment Delivery

- SensoryRX fulfills the order, shipping the sensory equipment to the customer (you).
